

## Tumble dryer T5130, T5130C

## Features and benefits

- Compass Pro® microprocessor offers:
  - Large display and one control knob for easy program selection
  - Language selection
  - Quick start and option buttons for frequently used programs
  - Drying program packages optimized for Economy, Care and Time
  - Service program for adjustment of parameters
  - USB connection
- Residual Moisture Control for an accurate drying result and a low energy consumption
- Reversing drum for less tangling of large items
- · Stainless steel drum
- · Reversable door hanging for a convenient laundry flow
- Easy access to vital parts from the top and rear for simple servicing
- The coin version with Ecopower to avoid over drying of the garments and get a lower energy consumption

- · Stainless steel front
- Connection to booking-/payment- system or coin meter
- Stacking frame for mounting T5130 on top of W555H
- · Stainless steel base frame
- Integrated condense system
